

#HeWorks / #ICare second edition.

For the week on patrollers security (14-20/10/2019), Atlandes is happy to invite truck drivers to stop and share a coffee break with patrollers on A63, for the second year.

Committed to security, they will have the opportunity to be photographed and to receive a customized T-shirt and other useful gifts provided by PTV, partner of this operation with Truck Parking Europe.

PROMOTING A COMMITMENT FOR SECURITY TO PREVENT ACCIDENTS

In order to involve truck drivers (who are on A63 more than 80% foreigners), Atlandes wishes to make them participants in ensuring security. The aim is to raise support for long run care for motorway patrolmen.
